AWARD CAT EGORY:

LAUNCESTON CHAMBER & COMMERCE

2024 SPIRIT SUPER

Excellence in Community **Service**

This category is open to organisations that are delivering innovative provision of community services to engage with more people in need, creating new opportunities for students and developing links between young people and business. These entities may operate social enterprises, deliver social services or undertake charitable work or philantrophy. In pursuit of delivering positive community outcomes, they may

operate with volunteer support.

GUIDELINES FOR ENTRY

- 1. Submissions should address all relevant criteria. When addressing the criteria, respond to the specific questions for each individual Award category. Demonstrate what you do, how you do it and the benefits of these actions. Please limit your answers to 500 words for each question.
- 2. Submissions must not exceed a maximum of five(5) pages. Appropriate supporting documentation can be attached in an appendix.
- Nominations for Young Professional must include a photograph of the nominee or business relevant to the application.
 Photographs must be supplied in a JPEG format.

REMEMBER:

- Concise answers and dot points are good. Your answers should demonstrate that you have processes, plans and strategies in place to facilitate key business practices.
- Selecting categories: Before commencing the entry process, take the time to determine the most suitable category or categories for your organisation.
- 3. Consider the questions carefully: Ensure that your responses provide the information requested.
- 4. Answer each question: Do not refer judges to previous answers. This suggests that applicants have not considered the question properly and makes the judging process more difficult.
